(Secretary's Note: Dr. John Yardley joined the meeting.)

c. Healthy Workplace Results

The following attachment was pre-circulated with the Board package:

- Healthy Workplace Survey 2016 Results Presentation to Board June 7 2017

Ms. Casselman and Dr. Yardley reviewed the Healthy Workplace survey results. They noted in their presentation:

- The survey identifies potential indicators of better management practices and potential need for intervention and change.
- Response rates increased by 3-4% and engagement scores increased by 5%.
- Dr. Yardley noted improvement from previous years, but there is always room for more engagement and improvement on scores.

Discussion between the Board, Management, and Dr. Yardley included the following:

- An overview of general survey principles with the Staff Survey based on 27 engagement drivers and Physician/Providers Survey based on 30 engagement drivers;

- The range of responses;
- Levels of employees reporting engagement in their jobs and in the organization;
- Five to seven responses constituting a departmental response;
- Qualitative feedback delivered at a high level;
- Downward variance in the organization's communications skills;
- Survey results similar to other hospitals and across multiple sectors;
- The results were reviewed by the Senior Leadership Team in advance of the Board meeting and next steps include cascading the results to managers for action planning;
- Benchmarking results to leading practices;
- Results on equipment, buildings, and personal safety consistent at the provincial and national levels;
- Employee safety impacted by numerous risks including violence, potential injury associated with patient mobility, equipment, availability of supplies, and hospital-borne infections;
- Physicians reported an increased negative impact on home/personal life;
- Staff and Physicians reporting engagement of the Board an improvement; and
- The Board's focus on qualitative and quantitative improvements, with immediate attention to how positive outcomes are achieved.

Matter Arising: Organizational Priorities arising from the Healthy Workplace Survey to be put on the Agenda for the December Board meeting.

(Secretary's Note: Dr. John Yardley left the meeting. Mr. Joannette joined the meeting at 4:24 p.m.)

d. 12-Month Look Ahead Communications Plans

The following attachment was pre-circulated with the Board package:

- 12 Month Look Ahead Communications Plans Presentation to BOD

Mr. Joannette reported that Wendy Stewart joined JBH as Manager, Corporate Communications and is making significant contribution. He noted the upcoming Patient Tower opening in August and the busy-nature of the past and up-coming year.

i. Community Survey Update

The following attachment was pre-circulated with the Board package:

- Final Joseph Brant Survey May 25 2017

Marketing firm Leger, The Research Intelligence Group community survey is ongoing, with positive interim result. They had been allocated \$30K.

ii. Tower Opening Plan (Internal, Community Information and Ad Campaign)

The following attachments were pre-circulated with the Board package:

- Communication Plan Patient Tower External Marketing and Ad Campaign May
- Communication Plan Patient Tower Internal External Events May 23 FINAL

Mr. Joannette highlighted the marketing & ad campaign for the Patient Tower Transition including internal and external communications strategies:

- Media Construction Tours have already occurred.

- Time Capsule to be buried Staff Barbeque
- The Staff Open House will be staggered to allow shifts to partake in the activities.
- Community Open houses available for the public to tour the Patient Tower.

Matter Arising: Management to extend invitation to the Board for Staff Barbeque.

- Senior Leadership Team has engaged Marshall Fenn to develop a new marketing plan to discuss people and product offerings to the public.
- PCOP provides an opportunity to share offerings with the community.
- The need for marketing targeted to physicians was noted to create a physician referral base to JBH.
- Market share loss of approximately 5K in the Emergency Department highlighted in previous years in the 15-55 year-old range. Overall the number of ambulances, acuity, and people who can drive in has not changed, but McMaster becoming a fully-fledged pediatric hospital has negatively impacted all local hospitals.

Matter Arising: Dashboard regarding marketing plan results.

- The Board discussed branding of the upcoming Strategic Plan and details about the transition from the current hospital to the Patient Tower.

Matter Arising: Strategic Plan Branding with feedback from Marshall Fenn.

iii. Government Relations Plan

The following attachment was pre-circulated with the Board package:

- Government Relations Plan

Maintenance of strong government relationship is essential to realizing a number of goals and objectives.

- Five goals and objectives:
 - Hospital redevelopment and expansion project
 - Provincial government funding – JBH Operational funding
 - PCOP funding – ICAT projects
 - Provincial government funding – mental health expansion and day program
 - Gain provincial government approval phase 2 JBH expansion
- Key Goal: Achieve announcement of expansion plan by government before the election.
- The Board noted achieving funding is a long-term process which involves socializing with a number of groups including politicians on ICAT and PCOP funding resolution.
- Mr. Sharman, the Municipal Council Representative, noted the importance of deliberately engaging the City of Burlington on the project.
- M. Joannette feels there is a real opportunity to achieve our goals given the election cycle and the very real needs of JBH.

iv. Strategic Plan Communications Roll-out Plan

The following attachments were pre-circulated with the Board package:

- JBH Briefing Note Strategic Plan

- JBH Strategic Plan – Draft Communications Plan and Schedule
- 3 Strategic Directions Update

The new Strategic Plan is launching in November 2017 to align better with the opening of the new Patient Tower.

- The Senior Leadership Team has taken the Strategic Plan created by the One Team in assistance with Deloitte and moved ahead on the three strategic directions to create JBH-centered goals. Clarity of goals addressed.
- Next step is to send the revised Strategic Plan to the One Team and back to the Board.

v. New Communications Metrics

- New reporting starting in July 2017
- Based on checklist and the outcomes from the differing media activities.

Matter Arising: Management to provide reporting on the new communications metrics in November 2017.

- There was a discussion about the interaction between management and the Board regarding strategic directions and the strategic plan.
- Next survey needs a specific component about communication to assist in understanding challenges.

Matter Arising: Management to report to the Board on the Communication Plan/Update in November 2017.

e. People and Processes

i. IAP Executive Summary

The April 2017 and May 2017 IAP Summaries were pre-circulated with the Board package.

C. Williams noted the following during her report:

- Meetings are in place to ensure the appropriate POs are issued. Issuance of POs are behind schedule and additional resources have been added to expedite their issuance.
- Developing a plan to ensure procure appropriate instruments.
- Furniture and Equipment in the New Tower are currently in the red but expected to move to yellow soon.
- Management feels ready for the move as the war room has been addressing all the issues.
- The Chair noted it is important to capture and debrief on learning from this project and the move.

ii. IAP Deployment

The following attachments were pre-circulated with the Board package:

- BN IAP deployment update May 2017 Final

- IAP DEPLOYMENT MAY 2017 FINAL

C. Williams noted the following during her report:

- Of the 50 initiatives, 45 are on track with plans in place to enable implementation as per the designated work plans. Five initiatives have some challenges currently slowing full implementation and are continuing to progress forward.
- No concerns on deployment.

iii. LEAN Update

The Lean Update to the Board May 2017 was pre-circulated with the agenda package.

C. Williams noted the following during her report:

- In the next year, anticipate developing leadership standard work. JBH is working to set the stage for this phase of LEAN initiative starting with the charge nurses.
- Leadership Standard Work focuses on predictable and reliable activities and is necessary for to sustain the gains which have been made.
- Changing leadership styles in senior staff is critical for LEAN to change.
- In the dialogue about staff engagement, it was noted formal training opportunities for every leader is a major goal of the organization, considering that every leader who joins must participate in learning.

The Board and management discussed Gemba and Kaizen progress and issues. LEAN should be able to point to three branches – quality, patient experience and reducing costs. Assigning a ‘currency’ to the changes identified in LEAN tools provides an opportunity to focus on outcomes rather than process.

10. Reports

a. President & CEO Report

The President and CEO Report was pre-circulated with the agenda package. E. Vandewall noted the following items:

- Operational Readiness is proceeding on time and according to plan. The Patient Tower is on track for the move.
- The Redevelopment Project is tracking on time and on budget. Ellis Don has increased their activity via presence in the war room to find and resolve issues quickly in preparation for the move.
- Negotiations with the Ministry on both the ICAT capital funding shareable under the Ellis Don construction contract, and the operating and maintenance costs continue.
- Other components of PCOP negotiations have been resolved with \$40M in combined funding. There is potential to increase activity without dollar for dollar input to achieve activity. The goal is to determine how to round up activity with the least spending.
- The Joseph Brant Museum project was discussed with the Building & Facilities Committee. There are ongoing discussions with the City of Burlington and other parties in redevelopment of the museum on the JBH property. There has been discussion regarding how the project moves forward (Hospital’s Act, Ministry Approval). Issues remain over future ownership of land; JBH is negotiating with City

to sever and transfer ownership as the museum land was given conditional that it operates in perpetuity. IN the event that the museum ceases operations it is expected that JBH would have the first right to buy back the lands for nominal consideration.

The Chair thanked Mr. Vandewall for his report.

b. Professional Practice Report: Dr. Wes Stephen & Cheryl Williams

The Professional Practice Report was pre-circulated with the agenda package. C. Williams and Dr. Stephen noted the following during their report:

- The call display has been updated for the area and goes live on June 15 – calls are now marked on caller ID as ‘JBH’ instead of showing blocked. This includes scripting where messages have to be left.
- Transfusion medicine noted to have changed dramatically in the last decade. ORGON transfusion program to be presented this year with results. The program will be audited to ensure it is a sustained change.

The Chair thanked Dr. Stephen and C. Williams for their report.

c. Medical Staff Association Report

Dr. Sowery provided a verbal noted, and noted the following during his report:

- There has been a change in leadership as Dr. DeSantis has stepped down as the Vice Chair. The By-laws have been updated to extend terms of leadership;
- Survey of staff engagement at MAC and an understanding of meeting times; and
- Education on topics such as health law.

The Chair thanked Dr. Sowery for his report and thanked Dr. DeSantis for her time on the Board.

11. Hospital Related/Communications

The following items were provided for information:
