Patient Transport (Private) - to patient residence (call for quote)	min \$200	min \$200	min \$200

For all Uninsured Procedures (not covered by OHIP or a non-resident), always refer to the Uninsured Procedure Rates page or contact Finance at ext. 4833 for assistance.

IN-PATIENT: The rate of \$_____ includes recovery and In-Patient time, however excludes Medical Equipment, Rentals and Physician Charges. Note: for Uninsured and Out of Country (OC) visitors CT and MRI's charges are extra.

Delisted / Uninsured Services are procedures that are no longer covered by OHIP. For valid OHIP patients some procedures may be covered based on circumstance and Ministry pre-approval defined by your surgeon. Cost of any uninsured procedure is the responsibility of the patient. Non-Residents and Uninsured Residents are also responsible for a Hospital Visit Fee in addition to any delisted procedure charge below.

Primary Rate is the Higher of the two uninsured procedures being performed on the same service date.

Rate includes HST (13%); Excludes Uninsured Daily Inpatient Room Rate; Excludes Physician Fee

Note: For all out-of-country & uninsured patients the Day Surgery visit fee is over & above the Lens rate

Patients are expected to Bring their Receipt of Payment on the day of Surgery

DEPOSITS

Pre-payment of patient charges is required when services to be provided by the Hospital to a patient are not insured. The deposit requested will be one half of the expected stay with a minimum deposit of one day's stay.

AUTOPSIES (HST NOT APPLICABLE)

Autopsy on deaths, which occur outside the Hospital and are deemed Non-Coroners cases, will be charged a Facility fee and Professional fee totalling **\$1,550**.

REFUSING DISCHARGE FROM HOSPITAL

After a discharge order has been written, a charge of **\$1,707.59/day** will be levied until a discharge plan is established and agreed upon. This charge does not include a levy for preferred accommodation, which is separate, but does include the alternate level of care co-payment charge.

CO-PAYMENT FEES: Applies to Complex Care (CC) patients

ALTERNATE LEVEL OF CARE (ALC): Medically Complex

A co-payment charge will be levied for:

- Complex Care patients receiving medically complex care
- Alternate level of care patients waiting for a complex care or long term care bed

The charge is currently a maximum of **\$58.35 per day** to a maximum of **\$1,774.81 per month** (effective July 1, 2015). This charge is set by the Ministry of Health and Long Term Care and updated annually.

PATIENT TRANSPORT COSTS

Minimum Charge:

\$200

Patients that have been discharged and require third party non-emergent transportation will be charged a minimum fee and, if applicable, a surcharge for distance travelled. **It is recommended for patients and/or their families to arrange for transport and payment directly with respective transport providers.** Patients and/or their families are to be notified of the charge only when the transportation is arranged by the hospital. This is an uninsured service and an administration fee applies should the hospital facilitate transport and invoicing on behalf of the patient.

NOT SUFFICIENT FUNDS (NSF) - CHEQUES

A charge of **\$20.00** will be levied in regards to NSF cheques.

INTERNET Wi-Fi ACCESS

To connect using a mobile device, select **jbhvisitor** from network list, open **browser**, check **terms & use policy**, choose **time & rate**, confirm **payment** mode, enter **access code** and **login**

The charge for internet Wi/Fi access is as follows:
