CO-PAYMENT FEES:

A co-payment charge will be levied for:

- Complex Care patients receiving medically complex care
- Alternate level of care patients waiting for a complex care or long term care bed

The charge is currently a maximum of **\$63.73 per day** to a maximum of **\$1,938.46 per month** (effective December 1, 2022). This charge is set by the Ministry of Health and Long Term Care and updated annually.

REFUSING DISCHARGE FROM HOSPITAL:

Effective November 20th, 2022, hospitals will be required under the *Public Hospitals Act* regulations to charge a standardized daily fee of \$400 to patients who no longer require hospital care, but who remain in hospital after being discharged, including ALC patients who have been authorized for admission to a long-term care home. This fee will be charged every day that the discharged patient remains in the hospital after a 24-hour period.
